A whole term of Edu-Dance practice culminated in an amazing concert showcasing our talented children. Thank you to all the parents and family who turned out to support the concert and to the P&C for subsidising the cost of this activity which was enjoyed by all.
Dear Parents and Caregivers

Edu-Dance

On Tuesday the Edu-Dance performance took place in the undercover area. I was amazed and impressed with the high quality of performance delivered by each and every one of our students. Programs such as this are only as good as the engagement, enthusiasm and energy of the students, and in this, the performance was as good as any I’ve ever seen. I thank and commend our students for the approach they have taken to this program and of course to the P&C for their generous sponsorship of the program.

Semester 1 Review

On Wednesday 22 June the staff conducted a review of Semester 1 2016 in regards to our progress against our school plans. The session was beneficial in that it reaffirmed that we are on course to deliver the educational outcomes that we set about achieving at the start of the year. All classes are meeting the requirements of all plans, and the foundations have been laid for a successful second half of the 2016 academic year.

Study Trip

Last week Verne Jones and I spent a day at Albert Park Primary School in Melbourne having a close look at their sustainability processes, strategies in implementing the Australian Curriculum and how they are embedding ICT into the curriculum. Trips like these are so important so that we get a first-hand look at best practice in key areas of education. Verne and I will bring back to South Padbury all that we learnt during the day.

Running Club

I’ve really enjoyed this initiative of Mrs Williams and look forward to its continuation throughout the year. I’m really thankful of all the parental support as this adds immeasurable value to the experience for the children.

Lightning Carnival

On Monday 20 June 2016 the school again participated in the Whitfords Sports Lightning Carnival at the Kingsway Sports complex. We fielded 3 netball teams, 2 soccer teams, 2 sofcrrosse teams and 1 AFL team. Despite miserable weather conditions, it really was a superb day with all of our teams displaying superior manners and sportsmanship throughout the day. Our Netball A team came runner-up in their competition and our Soccer A team won their competition. However, in my eyes we were all winners on the day.

Communication

Our main forms of communication with parents/caregivers are the website, Facebook (through the P&C page), newsletter, our APP and hard copy letters. By far the most efficient and effective tool that we have is the APP, and this is where all of our communications channel through. Electronic communication is the way forward and hard copy communications are being phased out as we move towards being a paperless office.

Holidays

My message for the break is the same as always. To all parents and caregivers, remember to take as much time as you possibly can to spend with your children. Make the most of this phase of your child’s development, as it only comes around once! To all students, remember to take that moment to think of the consequences of your actions. If what you are about to do could result in pain, stop and don’t do it. If it will result in fun, then go for it and give it everything you’ve got.

Student Councillor Report - Littering

Littering is bad for the environment, economy and sometimes can be dangerous to our health but yet it is becoming more common in society. Littering is illegal and a lot of people litter without even noticing! When you litter you are harming the environment. So next time you have a piece of rubbish just remember to put it in the bin. If you find some litter in the school grounds, do the right thing and put it in the bin and make our school litter free. Thank you.

The Big shave for Zoe - Duncraig SHS

Zoe HoyPoy is a student of Duncraig SHS has been diagnosed with stage 4 cancer. Zoe has undergone 10 rounds of chemo-therapy, has lost her hair and is battling with her condition every day.

To ease at the least the financial strain on Zoe and her family, a fundraiser has been has been started for her. Early next term I will be shaving my head!

You can show your support for Zoe by going to gofundme.com/ZoeHoyPoy, donating and passing this information to your friends, family and anyone else you know. Please share this on Facebook, Instagram or Twitter!

Thank you so much
Kate Eberhardt - Duncraig SHS
Our Fete has been very generously supported with fantastic donations by many families and businesses. So when you come out to vote on Saturday 2 July come and enjoy some food, fun and games and help make the event a success which will benefit all our children.
