## IPAD CLASS USAGE POLICY

SOUTH PADBURY  
PRIMARY SCHOOL  
Pursuit of Knowledge and Friendship

### **Rationale**

This relates to the connection and use of a student owned personal Ipad along with the terms and conditions of connecting to the school's network.

### **Implementation**

Connecting a student's personal Ipad to South Padbury Primary School's network is based on the following understanding and agreement:

1. The student is responsible for the physical security of their Ipad at all times. At recess, lunch and during out of school activities the Ipad will be placed in a secure trolley within the classroom.
2. Ipad will be charged at night and brought to school each day with the charger left at home.
3. The student will abide by all conditions outlined in the students' online policy.
4. The parent will be responsible for ensuring all apps are installed on the Ipad.
5. Students will only connect to the school network as directed by their teacher.
6. Usage of the internet and printers will be limited to class time only when required and under supervision of the teacher.
7. Students must not store or transmit inappropriate material with their Ipad
8. Parents must sign and return the Consent Form before the students can connect to South Padbury Primary School network.
9. In the event of any of the above conditions being breached, the issue may be dealt with as part of South Padbury Primary School's Behaviour Management Policy.

### **Evaluation**

This policy will be reviewed with staff, student, parent and community input as part of the school's review cycle.
