We have 10 new families joining us this year, as well as many families new to schooling in our Kindergarten. We warmly welcome them and hope they enjoy their journey through our school and being part of the South Padbury community.

Please keep an eye out for a Principal's Connect notice coming to all families today. This will have some COVID information and reminders as well as information about the first week.

General Procedural Information for South Padbury Primary School 2022

Please familiarise yourself with the following items which come up each year. It is in you and your child's interest to know school procedures when these things arise.

Message to Students

Whilst we endeavour to pass on messages to students please understand this cannot always be guaranteed, especially in the afternoon. Please have a conversation with your child/ren and have a plan in place in the event you should be delayed for any reason. Also have a friend or family as backup that the children are aware could collect them. If parents are late, students can always come to the office to have parents contacted.

Administering Medication to Students

From time to time we are asked to administer medication to students, i.e. antibiotics, painkillers. We **MUST** have a signed consent to do this. An administration of Medication Form can be obtained from the front office. This is to be completed and signed by a parent/guardian then taken to the teacher with the medication to be dispensed.

Students being collected early from school for any reason

If you need to collect your child before the end of the day for any reason at all, please come to the front office **FIRST** and obtain a LEAVE PASS to collect your child and then proceed to the classroom to collect your child/ren. If you are asking someone else to collect your child they must either be listed as a contact on your child's record or have signed consent from a parent to do so. Children will not be released to unauthorised persons.

Annual Confidential Declaration For Parent Helpers

If you or a relative would like to be on parent helper duty in your child's class, attend an excursion, assist with morning reading or changing books for the class you will need to complete a pink Confidential Declaration Form which can be obtained from the front office. The form needs to be completed, signed and returned to the front office. If you have more than one child they can all be included on one form, however each adult must complete a separate form. Please note this is an annual form and needs to be completed each year. This includes dads and grandparents.

A pink Confidential Declaration Form from the Department of Education. It includes sections for 'Parent/Relative Information', 'Declaration', and 'Signature'. The form is titled 'CONFIDENTIAL DECLARATION' and mentions 'Department of Education'.

School Payment App

Please consider downloading our QKR school payment App which is free. QKR is our payment App which is fast and convenient saving you time completing and returning printed forms and finding the correct change. We have information leaflets to assist you with downloading.

Updating of QKR Profiles

If you already have QKR please update your child/rens profile to ensure the correct TA and year group is reflected for your child.

Advertising and Flyer Distribution

Throughout the year we distribute a range of advertising on behalf of various companies and organisations including children's activities and sporting programs, some of which are run here at school. South Padbury in no way endorses or promotes any of these programs, events or activities. Parents and carers should make their own assessment on the merits of each event or activity.
