

Kookaburra Chronicles

Dear Families,

As Term 1 draws to a close I have nothing but positive messages to send you all as the holidays approach.

We prepared for a difficult term, with expected disruptions that would significantly impact our teaching and learning programs. What we had was a supportive and committed community focussed on protecting each other and maintaining the safety of our staff and students. And staff who soldiered through the curriculum continuing planned learning experiences, new initiatives and assessments.

For your information, this term we had 19 students test positive for COVID-19, and only 2 staff. This is pretty amazing, given many schools were without nearly all their teaching staff at one time or another, and combining classes due to high student absences. While we are not out of the woods yet, we hope to see a change in school restrictions sometime next term. In the meantime please continue as you have been, wearing masks, remaining off the site unless necessary, and refraining from entering classrooms.

We have several exciting parent learning opportunities on our calendar next term, which we hope will go ahead. These include a cyber-safety presentation, the repeat of our 'Boost' Early Literacy program for parents of K-1 students, an Anxiety Information session with our school psychologist, and the commencement of our parent reading support book club. We will keep you posted on dates and details early next term.

For students, Edu-Dance is back next term! We can't wait to be surrounded by the sound of the same songs every week! The P and C have their fabulous Mother's Day stall happening, along with several other fundraising activities. Later in the term sport starts to come onto the calendar with a lightning carnival and cross country. Please check the term planner for dates.

Finally, I would encourage all families to use these holidays, the Easter and ANZAC Day celebrations, to reflect on how fortunate the South Padbury PS community is, to think of others and show compassion and gratefulness with actions and words. And don't forget to keep reading! Some interesting reading research will be coming to families via Connect on Friday.

Wishing our school community a wonderful and safe holiday break. We look forward to seeing our students back with us on Wednesday 27th April.

Happy Parenting!

Edu-Dance Term 2

Edu-Dance is scheduled to commence in Week 2 of Term 2. As this activity is part of our curriculum all students are expected to participate. With the ongoing generosity of our P&C supporting and subsidising this activity, parents will only be required to pay \$19 per student which will be available to pay via QKR from Tuesday 26 April.

If you are unable to utilise this option, please call via the office for a printed consent and pay with correct cash.

Red Cross Flood Appeal

Our Student Councillors selected the Red Cross Flood Appeal as the charity for our school to support for Term 1.

A very big thank you to the generosity of South Padbury community in raising \$515.00.

With a lot of people left homeless this money will go to supporting the many families affected.
