

### **Faction Sports Carnival**

Congratulations to all the athletes from all the factions on a superb performance across the board. The final result of the carnival was very close, especially on the track.

Read on to see all the results in this edition.

#### Dear Families,

As we come to the end of another term, I'd like to say thank you for your ongoing support of the school and our P and C. 'Be Involved' has been very evident this term at the sports carnival, at assemblies, at the Father's Day stall and around the classrooms. When children see their parents involved at school, it supports their academic achievement and their belief that school is important and valued.

The weather held out for a great faction carnival. Congratulations to our students for their enthusiasm and support of each other on the day. Thanks to the P and C and all the parent volunteers for helping the day come together. And to the rain gods for allowing us to get through the day before drenching the oval around siren time! Congratulations to Acacia for taking out the overall winners shield and to Banksia for winning the spirit shield.

Planning for 2024 is well underway. Parents who wish to make class requests for 2024 based on educational reasons may do so in writing via email to the principal between Tuesday 10<sup>th</sup> October and Friday 20<sup>th</sup> October only. Please do not request specific teachers, as staffing is not confirmed for next year. Please read the school's Class Placements Guidelines document via this link for more specific information or find it on our website. <u>Class-Placement-Guidelines-2021.pdf</u> (southpadburyprimaryschool.wa.edu.au)

The student councillors R U OK? charity PJ day was well supported this term. Thanks to the community we raised \$745! Even though the day is over, we ask families to keep the mental health of themselves and others at the forefront of their minds and always ask R U OK? Then listen, encourage action and check-in afterwards. A conversation can change a life.

Our indigenous artist mural of the 6 Noongar seasons is now up on the wall near the bike racks. If you haven't checked it out, please take a stroll that way when next onsite. It looks spectacular.

Don't forget to check out our school website. We are regularly updating information on the site, and there is some great educational information for parents under the 'Learning at Home' tab. We have added information about Triple P Positive Parenting courses, which are free and online. We encourage any families looking for extra information or support with parenting to check out these highly regarded courses. Please click on the link to our school website: <a href="http://southpadburyprimaryschool.wa.edu.au/learning-at-home/parenting-support/">http://southpadburyprimaryschool.wa.edu.au/learning-at-home/parenting-support/</a>

Over the holidays our second nature playground will begin construction, which is very exciting. Families are encouraged to keep an eye on the school when passing by and report any suspicious behaviour to school security on 1800 177 777.

We wish all our families a relaxing holiday break free from making lunches and uniform washing! Stay safe if you are travelling, and we will see our students back on Tuesday 10<sup>th</sup> October.

### 2024 School Charges and Contributions

#### 2024 SCHOOL CHARGES AND CONTRIBUTIONS

The South Padbury Primary School Board has endorsed the schedule of Contributions and Charges for 2024 The schedule is broken into four sections and will allow you to calculate all costs that may be incurred throughout the school year.

#### 1. Voluntary Contributions

The total amount of contributions parents/caregivers are being asked to pay have been set at \$40.00 per student which is in line with the School Education Regulations 2000. The voluntary contribution is capped at a maximum of \$120.00 per family for a family of 3 or more children.

Money collected will be used to supplement school expenditure in the curriculum learning areas. While the contributions are voluntary the quality of our teaching and learning program will be maximised when each family makes its contribution to the cost of supplementing funding gained from other sources, including the State and Commonwealth governments. It is therefore vital for the school to receive your family's contribution. Your contribution will be used to supplement school funding for the purchase of resources needed in the provision of the learning program activities. The table below gives you the breakdown of where we will direct your voluntary contribution to.

### **P&C Update**

Wow, what a term! Thank you to everyone who signed up to help with our three fundraising events in Term 3.

Between the Father's Day stall, the sports carnival and the disco, we're pleased to report we'll be pouring just over \$5000 into the fundraising pot, leaving us with a running tally of more \$38000!

Term 4 will see us pushing to reach \$50000, with the Colour Run and some other activities planned.

How can you help? Keep signing up to volunteer, make sure you vote at SPPS for The Voice referendum on October 14 (and buy a sausage sizzle while you're there!) and look out for Colour Run details in the coming weeks.

We thank you for your ongoing support and hope you all enjoy a safe and happy holiday.

### School Dental Service Survey

The School Dental Service is an important health service providing dental care, at no cost, to school aged children across Western Australia.

The Padbury Dental Therapy Centre is looking to improve the way we communicate with the South Padbury Primary School community and we need your help.

Better communication will help improve your experience with the service, boost engagement and support better dental and oral health outcomes.

Your help in completing a 10-minute online survey, will provide valuable feedback. <a href="https://redcap.link/SchoolDentalServiceCommunicationSurvey">https://redcap.link/SchoolDentalServiceCommunicationSurvey</a>

Thank you for your support.
