

2024 School Charges and Contributions

2024 SCHOOL CHARGES AND CONTRIBUTIONS

The South Padbury Primary School Board has endorsed the schedule of Contributions and Charges for 2024. The schedule is broken into four sections and will allow you to calculate all costs that may be incurred throughout the school year.

1. Voluntary Contributions

The total amount of contributions parents/caregivers are being asked to pay have been set at \$40.00 per student which is in line with the School Education Regulations 2000. The voluntary contribution is capped at a maximum of \$120.00 per family for a family of 3 or more children.

Money collected will be used to supplement school expenditure in the curriculum learning areas. While the contributions are voluntary the quality of our teaching and learning program will be maximised when each family makes its contribution to the cost of supplementing funding gained from other sources, including the State and Commonwealth governments. It is therefore vital for the school to receive your family's contribution. Your contribution will be used to supplement school funding for the purchase of resources needed in the provision of the learning program activities. The table below gives you the breakdown of where we will direct your voluntary contribution to.

Kindergarten/Pre-primary		Years 1 - 6
